OTHER INFORMATION

TUITION FEE AND TECHNOLOGY LEVY

The *tuition fee* covers the operational costs of the school. The *Technology levy* covers the purchase, upgrading and servicing of computers and other technology in the school.

DEVELOPMENT FEE

The *development fee* is used to finance development and maintenance of school buildings and assets and to provide teaching and learning resources.

When joining Sekolah Nusa Alam in the primary or secondary stages, students have to pay 12,362,000 in development fee. In subsequent years the development fee is 3,968,910 per year.

The development fee is accepted as an **annual payment only** and is due on July 1st, 2020. Students who enroll throughout the year must pay the full development fee in the month the student joins the school.

Students who have attended SP for at least two terms only has to pay half of the full development fee upon moving into Year 1.

CAMBRIDGE IGCSE FEES FOR GRADE 9 AND 10

Sekolah Nusa Alam is here to provide your child with an International standard of education that can lead them into tertiary education at International universities. To do this, we follow the Cambridge Curriculum.

In Year 9, the students will begin their International General Certificate of Secondary Education (IGCSE). The IGCSE course runs for two years and the exams are taken for these subjects at the end of Year 10.

SNA charges an extra 'Cambridge fee' for students in years 9 and 10 and a fee for every exam that the student takes. The reasons for the extra fee are that Sekolah Nusa Alam has to pay fees to Cambridge in order to offer exams and to be a Cambridge International Centre. Furthermore, SNA needs to ensure that the IGCSE subjects are taught by qualified and experienced Cambridge curriculum teachers which also increases costs.

Achieving good grades in IGCSE is the first major hurdle before studying A and AS Cambridge exams. Passing these exams qualifies students to enter overseas universities.

SIBLING DISCOUNT

If one family has more than one child enrolled, *the tuition fee* is reduced by 10% for the second child and by 20% for subsequent children. Development fees are waived for the third and subsequent children enrolled.

SCHOOL EXCURSIONS

Please note that the cost of school excursions is not included in the tuition fee. Parents are required to pay for excursions that are arranged by the class teacher or the school. Excursions are not mandatory, and parents have the option of not sending their child. If students are not attending the excursion, students should not attend school as there will be no supervision for them.

WITHDRAWAL

SNA requires three months' notice **in writing** for any student who is being withdrawn from the school. Failure to give such a notice will result in an extra charge for the student equivalent to one installment of the school fee.
